ABOUT THE EVENT

Magnus Group is overwhelmed to invite you to its Hybrid Event “**2nd Edition of Virology World Conference**” slated on **June 21-22, 2023** in **Rome, Italy** and **Virtually**. Combating Global Pandemics through Virology Research & Innovations

The two-day scientific gathering will be jam packed with plenary talks, keynote sessions, oral and poster presentations with a strong emphasis on advancements during the pandemic, including insights into all facets of virology, including virosphere, viral infection mechanisms, virus-host interactions, virus immunology, and vaccine and antiviral updates.

World-renowned experts, distinguished speakers, researchers, scientists, virologists, microbiologists, vaccinologists, immunologists, healthcare professionals, public health experts, clinicians, pharma companies and scholars will be able to gather and share their experiences on the COVID-19 pandemic and other viruses’ impact on public health, commerce, and civic discourse at VIROLOGY 2023. This global consortium provides a phenomenal opportunity for all stakeholders to collaborate and form professional bonds that will enhance both their network and research goals. We hope this dynamic exposition will help in discovering new avenues in research that will lead to a better, healthier, merrier world.

GLIMPSES OF PAST CONFERENCE

Mino R Caira

University of Cape Town, South Africa

With regard to PDDS 2018 held in Rome, I can certainly declare that the keynote lectures and oral presentations were generally of an excellent standard and although covering a wide range of topics, in my opinion, they were all relevant to the discipline of drug delivery.

Pawel Brzuzan

University of Warmia and Mazury in Olsztyn, Poland

It was an excellent conference and wonderful experience.

El Hassane Larhrib

University of Huddersfield, UK

It was an excellent conference and wonderful experience.

Joe E. Springer

University of Kentucky, USA

I had a wonderful time at the PDDS 2018 conference, and may have made some new friends/collaborators as well!

Gerald H Tomkin

Beacon Hospital and Trinity College Dublin, Ireland

Many thanks. I certainly enjoyed the conference. Being in Rome is a special occasion and in wonderful weather. Again many thanks for the invitation.

Natassa Pippa

University of Athens, Greece

Firstly, I would like to congratulate Magnus group about the amazing conference. I am planning to participate again in the next one in Paris.

Nicole Hess

University of New England, Australia

It was a very fascinating conference and had a wonderful experience to share about research with professionals in the field.
